

CENSA National Security Teleconference Series:

Wednesday, November 12, 2008

12:00pm – 1:00pm

Security Implications of the Financial Markets Collapse and Economic Slowdown

Samuel Cole

**Chief Operating Officer/Global Head of Trade Execution
Blue Mountain Capital Management LLC**

Dial-in Number: 1-309-946-5100

Participant Access Code:113370

Prior to joining Blue Mountain Capital Management, LLC, Mr. Cole was a consultant with the New York office of McKinsey & Co., a global management consulting firm. Earlier he worked four years with the Institute for Foreign Policy Analysis where he supported senior government, military and industry leaders in the areas of Asia-Pacific security, defense industrial base issues and weapons analysis. Samuel Cole also served with the Defense Enterprise Fund, managing a variety of defense conversion efforts in the former Soviet Union. Mr. Cole holds an AB from Harvard College, an MBA from MIT's Sloan School of Management, and an MA in international relations from the Fletcher School of Law and Diplomacy. He is a term member of the Council on Foreign Relations.

Information: The National Security Teleconference Series is one of CENSA's flagship programs, developed to offer timely analysis of current topics related to international affairs, national defense, and U.S. foreign policy. Opinions expressed by speakers are personal and do not necessarily reflect the view of the organization. **For questions or information related to the CENSA National Security Teleconference Series, please contact James Kirkhope at james.kirkhope@censa.net.**

About CENSA: The Council for Emerging National Security Affairs (CENSA) is a non-partisan, non-profit 501(c)(3) research organization established in 1999. Its membership is a diverse international group of public sector foreign policy specialists, military officers, private sector professionals, and accomplished academics. CENSA's mission is to contribute to the ongoing dialogue shaping national security policy through formal discussions, graduate level teaching programs, virtual collaboration, frequent publications, and high quality research programs.
